

IMSH 2023 Registration Categories

General Session Registration includes: Plenary sessions, accredited educational courses, program materials, exhibit hall access, coffee breaks and three (3) lunches, access to fifteen (15) IPCE Hours of content in the IMSH Delivers Collection and access to archived live-streamed session. Additional IMSH Delivers IPCE hours will be available at \$25 each. Rates for SSH Members, Non-Members, Government and Students.

One-Day Pass purchase is not allowed for Saturday, January 15. Purchase of more than (1) One-Day Pass is not allowed. One-Day Pass registration includes daily Plenary Session, accredited educational content, Exhibit Hall access, beverage breaks and lunch (when available). One-Day Pass registration does NOT include eligibility to register for Post-conference Immersive Courses or the President's Diamond Ball. See full conference program for detailed schedule and offerings for each day.

One-Day Exhibit Hall Pass purchase not allowed for Saturday, January 21 and Wednesday, January 25. Purchase of more than (1) one Exhibit Hall Pass is not allowed. Exhibit Hall Pass registration includes Exhibit Hall access, beverage breaks, and lunch. Exhibit Hall Pass registration does NOT include plenary session or educational content or the President's Diamond Ball. Exhibit Hall hours vary each day. See full conference program for detailed schedule.

Guest Pass registration includes Plenary Sessions, Exhibit Hall, beverage breaks and lunches. Does NOT include access to General Session courses, Post-conference Immersive Courses, or virtual content. General Session registrants may only purchase one (1) guest pass. Guest passes may only be purchased by a General Session registrant.

IMSH Delivers 2023 virtual-only registration will consist of educational content live-streamed from the in-person event and prerecorded sessions. Livestreamed content will be recorded and included in the IMSH *Delivers* 2023 Collection. Virtual attendees will have access to earn a total of 30 IPCE credit hours. Additional courses from the IMSH *Delivers* 2023 Collection will be available for an additional \$25 per IPCE unit. The IMSH *Delivers* 2023 Collection will be comprised of:

- Livestream of Plenary Sessions (Up to 4 speakers)
- Livestream of eight (8) sessions from the in-person meeting. One course from each general session time block will be live streamed to the virtual audience
- 40 recorded educational courses
- 15 recorded SimVentor Demos
- 15 recorded Oral Research Abstract Presentations
- 5 recorded Learning Lab presentations
- Virtual exhibitor profiles

Virtual Content will be available until June 30, 2023.

IMSH Delivers 2023 Virtual Only Registration

General Attendee	\$705
Student/Resident***	\$505

GROUPS: Three or more individuals from an institution may register as a group. Groups may contain a mix of on-site and virtual registrations.

- SSH Accredited programs receive a 10% discount with five or more full registrations in a group
- Non-accredited programs receive a 10% discount with ten or more full registrations in a group.

Group Admins: Please [fill out this form](#) to begin the process to receive a group invoice. Questions? Contact admin@ssih.org

* To receive the member rate for registration, you will need to renew your SSH membership so that it is valid through January 31, 2023.

** A valid federal government/active-duty military email address will be required when registering. This rate does not apply to state or local government or state education institutions.

*** Current Fulltime Student/Resident status documentation must be uploaded at time of registration. A letter from the institution will suffice. The student membership will be activated after IMSH attendance and will be valid through 12/31/2023.

Additional Course Options – On-site in Orlando

2023 SSH Research Summit

Friday, January 20 and Saturday, January 21

\$375

The Summit will focus on four goals:

- Establish and present evidence-based Practice Guidelines in Simulation
- Identify gaps in research
- Seek Summit participants to create working groups tasked with developing research projects around those identified gaps and priorities
- Papers: Developed and reviewed both before and after the Research Summit, these papers will consist of the systematic review papers in each of the topics addressed, the produced final guidelines, and papers reporting the results of collaborative research projects, all of which will be directed to the Journal of the Society, Simulation in Healthcare (SIH).

Attendees of the [Research Summit](#) do not need to be registered for the General Session to attend. **Attendance of the Research Summit does not include access to the diamond ball.**

IMSH Post-conference Immersive Courses (off-site only – not virtual courses)

Wednesday, January 25

\$320

Each Post-conference Immersive Course is four (4) hours in duration and includes travel to and from the host site and PDF of program materials (if applicable). Boxed lunches will be provided for attendees. Attendees must purchase IMSH General Session registration to be eligible for Post-conference Immersive Course registration. Purchase of a one-day pass does NOT qualify attendees for Post-conference Immersive Course registration.

Attendees must purchase IMSH General Session registration to be eligible for Post-conference Immersive Course registration. Purchase of a One-Day pass does NOT qualify attendees for Post-conference Immersive Course registration.
